DHEC will make accommodations for persons with disabilities who wish to attend the meeting. To request special accommodations; please contact Kim Newell no later than Thursday October 30, 2008.

## We want your input on our Annual Updates

DHEC is committed to keeping residents informed and updated about activities at the Chem-Nuclear Site. We will do this through annual newsletters and/or community meetings. The enclosed newsletter and community meeting to be held on Thursday November 6<sup>th</sup> are the first of these annual updates.

We want to hear from you about the content and format of this information and what improvements you think that we could make in future updates. Please feel free to share your thoughts with staff at the community meeting or contact us directly. You may use the space on the back of this page for this purpose. Staff names and contact information is included in the enclosed newsletter on the back page.

Please write your comments on space provided on the back of this sheet, detach, and bring to the community meeting or mail to:
